Forty-four athletes from the Minnesota Boat Club just competed at the 118th Annual Championship Regatta held in Kenora on August 18-19. With 98 entries and on-site coaching provided by Craig Dodson, Henry Teaver, Steve Whicher and Betsy Bagley, the club finished second for the Sir Thomas Lipton Cup (grand aggregate) behind the Minneapolis Rowing Club. While the club was unable to muster enough points to defend its grand aggregate champion from last year, it did win enough points to win the Master's Division Championship (Janet and Randall Newberg Trophy) by a good margin over the Minneapolis Rowing Club.

In the Men's Division Championship (Con' Riley Trophy) and Women's Division Championship (Henning E. Peterson Trophy), the club finished second and fourth respectively. The club finished second for the Grand Aggregate Efficiency Championship (CAN-AM Shield) with a 32.03% efficiency rating. With a few junior participants, they were able to score one point in the Junior's Division Championship (Owen McVann Trophy) where Theresa (Maddie) Alewine finished fifth in the Junior Women's Single.

The club won 10 out of the 52 events offered in the regatta and they are as follow:
